Voter Information Cards in the Mail

Voter Information Cards are in the Mail for the 2019 Deferred Provincial Election July 15 in District 9 Charlottetown – Hillsborough Park. Elections PEI has issued new Voter Information Cards this week to every elector registered in District 9 on the provincial voters list. Elections PEI reminds registered electors of District 9 to check their mail for the bright yellow elections PEI envelopes.

The Voter Information Card contain important voting details, including:

- Advance Poll and Election Day voting location and times
- Contact information and office hours for Elections PEI and the district Returning Office.
- Voter Qualifications and Acceptable Identification

If an elector does not receive a Voter Information Card in the mail, it may indicate that they are not on the voters list for the upcoming election. Elections PEI encourages all eligible electors to update their registration information, or to add themselves to the voters list prior to the Advance Polls and Election Day.

Those who are not on the voters list on Advance Poll day or Election Day can still vote, but will have to produce appropriate identification (that shows the elector's name and current address) and complete an oath at the polls.
