**Correction Notice: Voter Information Card Printing Error**

**Charlottetown, PE** – Elections PEI is advising voters in District 9 (Charlottetown – Hillsborough Park) and District 15 (Brackley – Hunter River) of a printing error on some of the recently mailed Voter Information Cards by our printing vendor Gilmore-Doculink.

Elections PEI reviewed the production files, and all the information was correct. Gilmore-Doculink made an error and printed the incorrect information on the back side of some of the cards.

The cards were addressed correctly and delivered to the intended recipients, however, the information printed on the **back side**, specifically the details about where and when to vote, may have incorrect polling location information. In some cases, this section displays voting information for a different address or district.

Elections PEI actively worked to correct the errors. Updated Voter Information Cards (VICs) with the correct voting details, were printed will be mailed to all affected electors this week. **The updated VICs will be printed with purple ink only and will display the word “revised.”**

We ask that electors to please destroy the yellow voter cards with the incorrect information.

In the meantime, voters are encouraged to:

- Visit [www.electionspei.ca](http://www.electionspei.ca) to confirm their correct voting location and times, or
- Call **1-888-234-8683 (VOTE)** for assistance.

Elections PEI apologizes for any confusion this may have caused and thanks Islanders for their understanding and patience as we work to ensure every eligible voter has the correct information to take part in the by-election.

-30-
