**Charlottetown, PEI, Thursday, March 9, 2023**

Thursday, March 9, 2023, Elections PEI launched a special [Find Your Candidates](#) webpage on their website. The purpose is to assist voters in finding who the candidates are in their district.

Every one of the 27 districts are represented with the candidates; officially registered with Elections PEI, and placed alphabetically, according to their last name. The candidates are also identified by party name and colour.

Voters simply have to visit [www.electionspei.ca](http://www.electionspei.ca) and click on the menu found on the right side of the main page, "***I Am Looking For: My Candidate***". As candidates continued to become officially registered with Elections PEI, the website pages will be updated.

Nomination Day is Friday March 17<sup>th</sup> and all registrations will close at 2 p.m. Following the cut-off time, these pages will be complete with no further additions.
