- 7 - ALEXANDRA

Legend

 Polling Divisions

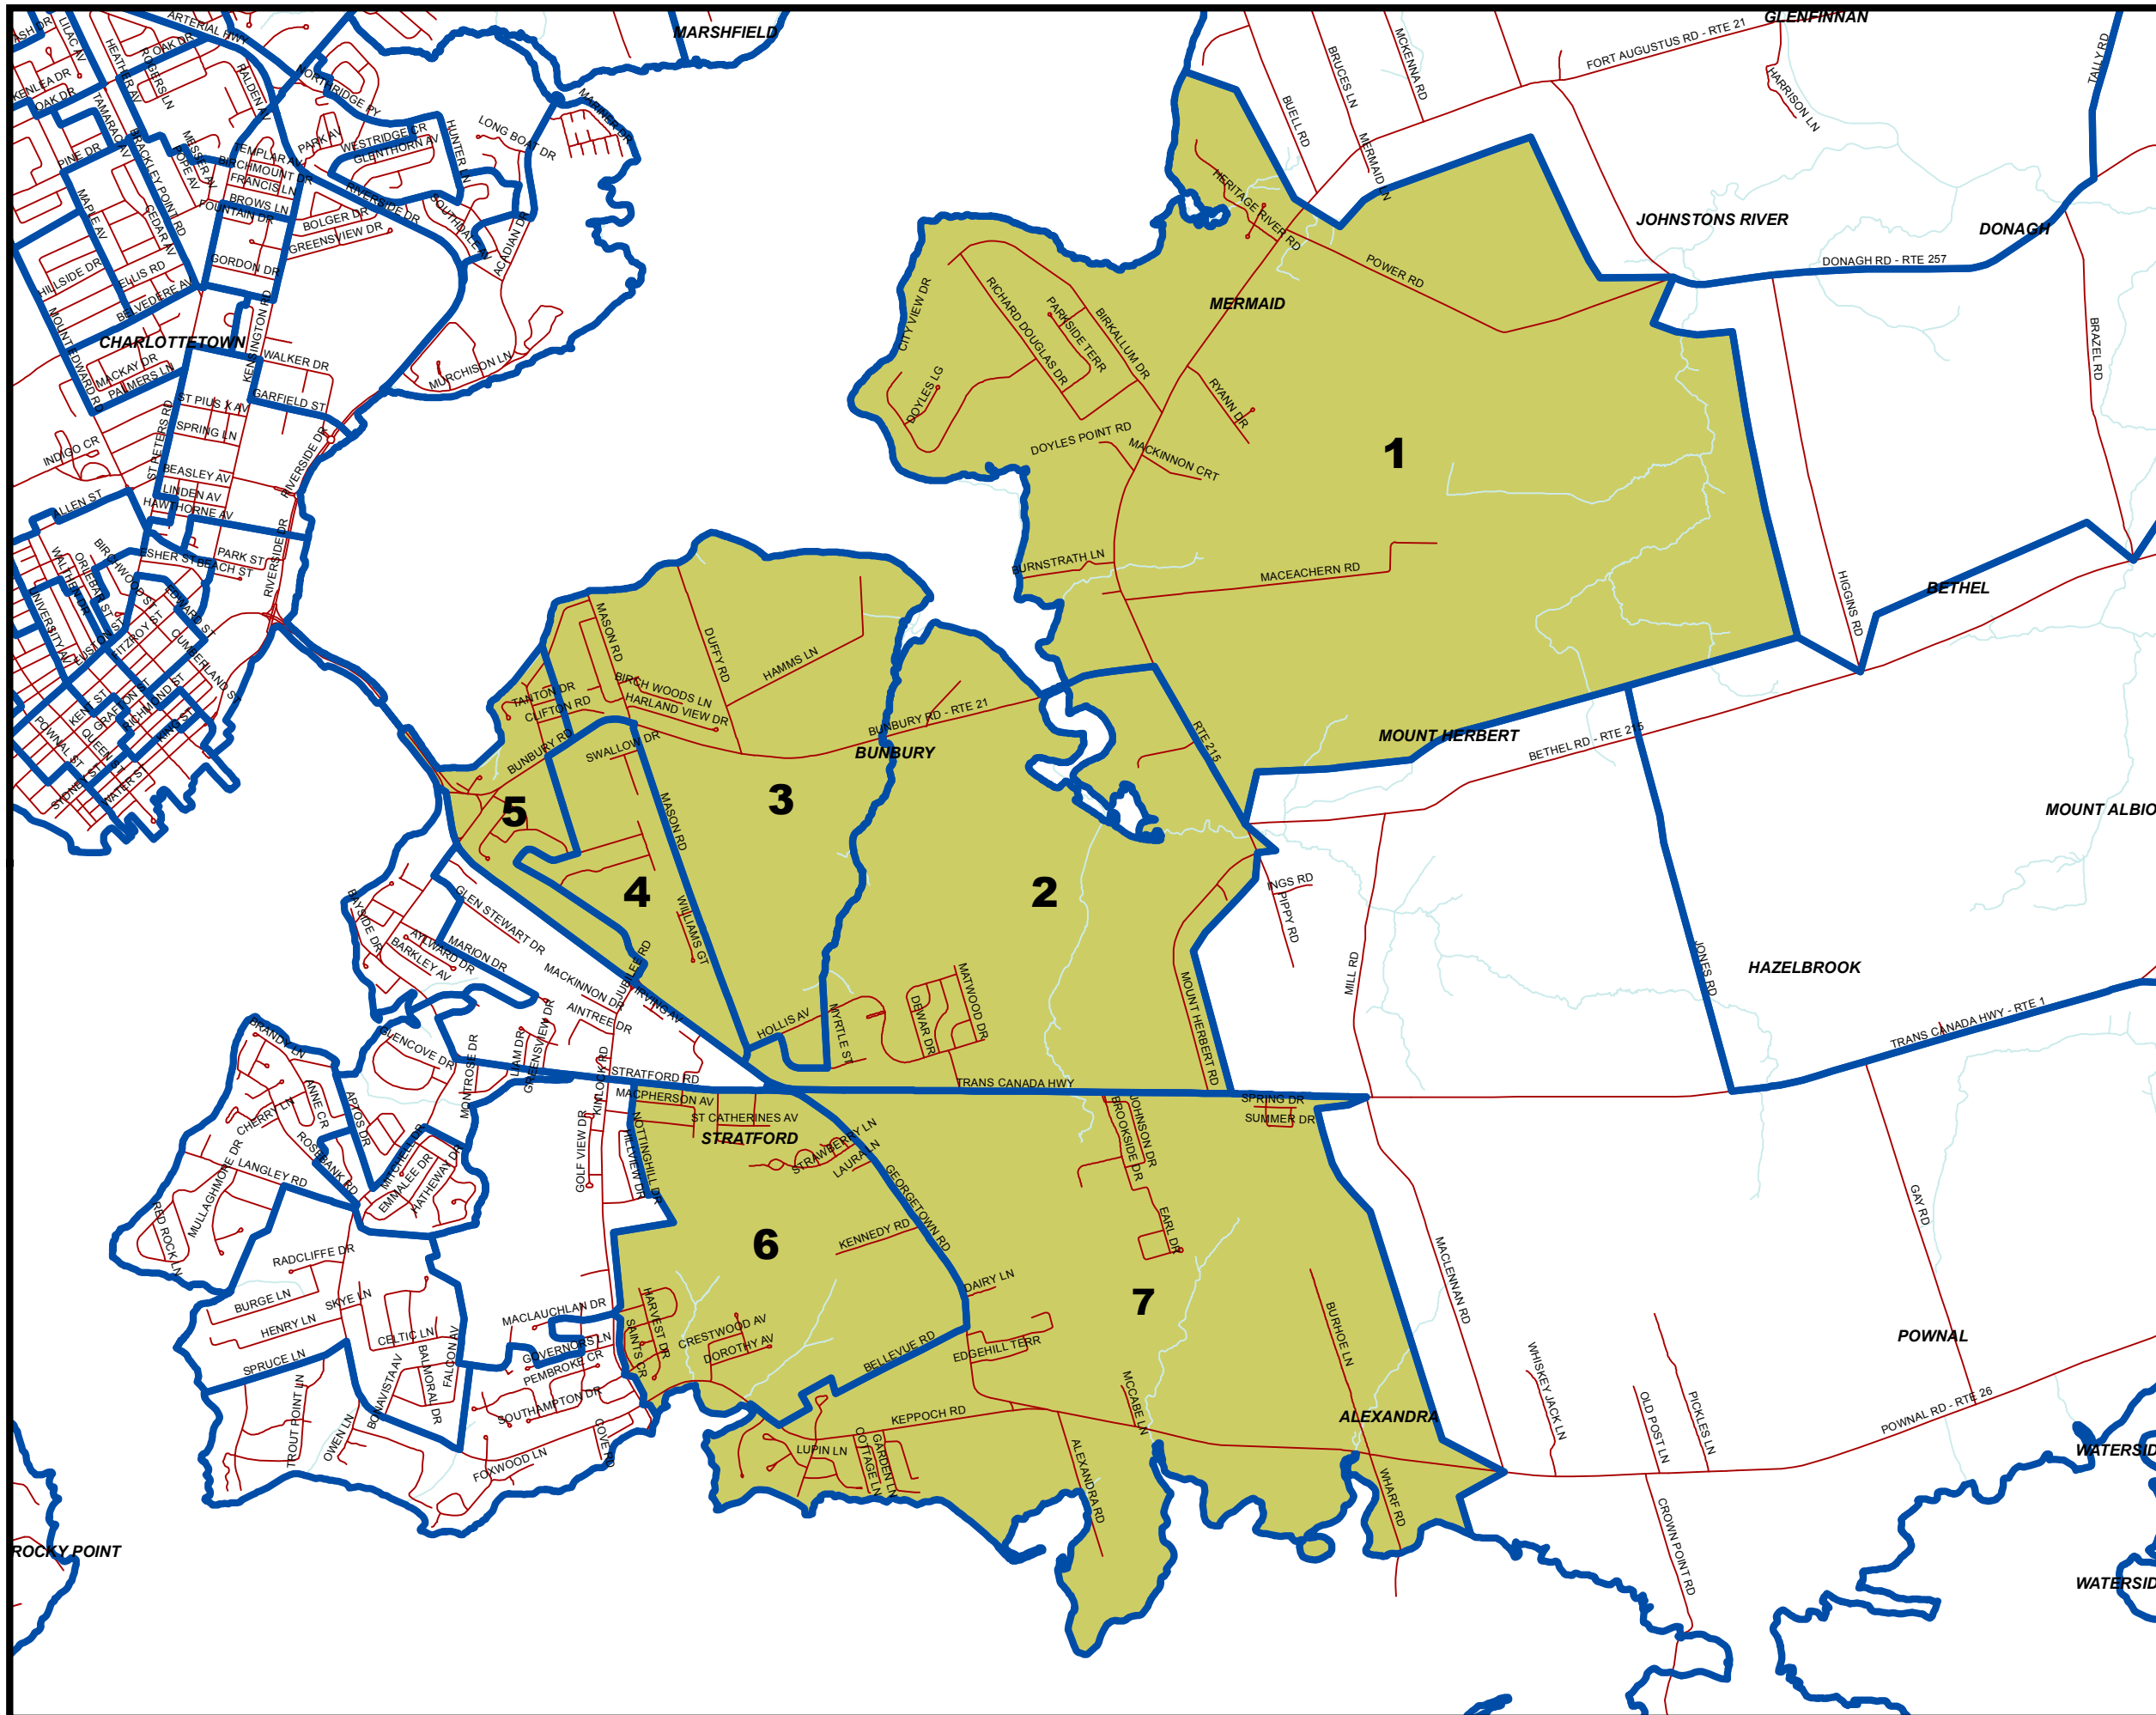

An elector's polling division is determined by the location of the elector's civic address rather than in accordance with the physical location of the elector's residence.

Where a street or road is used as a boundary, electors living on opposite sides of that street or road will vote in different polling divisions

The maps are designed as a general index of the electoral district divisions and are not intended to be used for measurements or for legal purposes.
