Hon. Natalie Jameson,  
Minister of Education and Early Years  
Minister responsible for the Status of Women

Holman Centre  
250 Water Street  
Summerside, PE C1N 1B6

Minister Jameson,

Elections PEI is submitting the report on the 2022 School Board Trustee Elections.

This was the first time there were elections for the Public Schools Branch in 15 years. The Department also decided that the elections should be moved to the Fall of the year, the first of the new school year, in order to better align the terms with the actual school calendar.

The French Language School Board has 6 zones across PEI and the Public Schools Branch has 7 zones.

The process for voting was new for the electors and engagement was increased over the past electoral events of this nature.

Elections PEI will work with the Department going forward to best determine the voting process that will allow the voters an easy yet trustworthy process.

Thank you to the team in your Department who assisted us with the election.

Also, a big thanks to my team for running a very successful election for both trustee elections.

Please see the attached report with the details of the election process and some recommendations on moving forward.

Respectfully,

A handwritten signature in blue ink, appearing to read 'T. Garrity', with a horizontal line extending to the right.

Tim G. Garrity  
Chief Electoral Officer  
Province of Prince Edward Island

## ELECTION PLANNING

Following the promise of the incoming government to reinstate elected school boards, Elections PEI began its operational planning for the upcoming school board elections as early as November 2019.

Elections PEI, upon request of the Department of Education and Lifelong Learning (DELL), presented five (5) electoral options for review in March 2020. These options for voting in a school board election included:

- Election in conjunction with a Provincial Election-paper based;
- A standalone election – paper based with zone boundaries;
- A standalone election – paper based “At Large”;
- Online with zone boundaries or “At Large”; and
- Vote by Mail (Mail-In Ballot) with zone boundaries.

The Standing Committee on Education and Economic Growth invited Elections PEI to present the electoral options to the committee in the Legislative Assembly on September 28, 2020.

School Board Election meetings began in December 2021 with members of the Department of Education and Lifelong Learning (DELL) and Elections PEI to review the options and decide which of the five options would be the best option for the elections planned for 2022.

In January 2022, the option of Vote by Mail was selected by DELL and plans were formulated for the process of the school board elections, including moving the elections to the fall from the spring.

As early as February 2022, Elections PEI began discussions with IT Services regarding a results page for the school board election.

In March 2022 Elections PEI had discussions with the Department of Education and Lifelong Learning (DELL) to develop informational websites. DELL was responsible for the general information regarding School Trustees, while Elections PEI was responsible for explaining and outlining the process of the election; how to apply for a Mail in Ballot and the method of voting.

By April 2022, Elections PEI created specially designed bilingual Mail-In Ballot Kits for each school board and ordered the materials. The materials consisted of a Brochure explaining the process, a Secrecy Envelope, Certification Envelope, Return Envelope, and the larger envelope for mailing the entire package to applicants. All postage was paid by Elections PEI.

The Dept of Education and Lifelong Learning and Elections PEI developed the shell for Bilingual Websites in May 2022. The websites were all launched on June 7 with a joint media release to notify residents of the School Board Trustees Elections coming in September of 2022. The Public Schools Branch (PSB) offered elections in their seven electoral school zones and La Commission scolaire de langue française de l'Î.-P.-É. (CSLF) offering elections in their six electoral school zones.

Throughout the summer of 2022, Elections PEI promoted the upcoming School Board Trustee Elections through our social media channels (Facebook, Twitter, and Instagram), drawing attention to who was eligible to run and how a person could become a candidate.

On Thursday, September 1, 2022, Elections PEI opened the Mail-In Ballot process. This allowed interested voters the opportunity to apply for a Mail-In Ballot with a digital bilingual application form on the Elections PEI website to receive their ballot(s) to vote in the Public Schools Branch and / or La Commission scolaire de langue française de l'Î.-P.-É. The deadline to submit an application was 11:59 p.m. Sunday October 9, 2022.

To promote the nomination period for candidates, Elections PEI sent a Media Release to the media outlets across Prince Edward Island, accompanied by the newspaper advertisement for every daily and weekly paper in the province.

The Notice of Election newspaper advertisement appeared Monday, September 12, 2022, in The Guardian (daily Newspaper), and Wednesday, September 14, 2022, in Eastern Graphic, West Prince Graphic, The Journal Pioneer and La Voix Acadienne (weekly papers). All newspaper advertisements were bilingual. In the newspaper ad, interested people were encouraged to come forward and register as a candidate. Nominations closed on Friday, September 23, 2022, at 2 p.m. All names received were forwarded to the printer to create the ballots for each school electoral zone conducting an election.

- Public Schools Branch was to elect one trustee per electoral zone except Zone 5 where two trustees were to be elected. At the close of nominations, the number of candidates that registered for the elections are listed below:
  - Zone 1 – 1 Candidate
  - Zone 2 - 2 Candidates
  - Zone 3 – 3 Candidates
  - Zone 4 – 7 Candidates
  - Zone 5 – 11 Candidates (2 trustees required)
  - Zone 6 – 4 Candidates
  - Zone 7 – 4 Candidates
  
- La Commission scolaire de langue française de l'Î.-P.-É. was to elect one trustee for electoral zones 2, 4 and 6. Zones 1, 3 and 5 were to have 2 trustees elected. At the close of nominations, the number of candidates registered for the election are listed below:
  - Zone 1 - 3 Candidates (2 trustees required)
  - Zone 2 – 1 Candidate
  - Zone 3 - 1 Candidate (2 trustees required)
  - Zone 4 – 1 Candidate
  - Zone 5 - 2 Candidate (2 trustees required)
  - Zone 6 – 1 Candidate

Elections PEI is committed to working in conjunction with the Department of Education and Early Years to discuss best practices for the the electoral process of school board trustees.

# ELECTION PROMOTION

## **Elections PEI**

Advertising and Promotion of the School Board Trustee Elections Advertising, Social Media, Posters, and e-mail.

Elections PEI primarily used social media platforms Facebook, Twitter, and Instagram to get our messaging out regarding all aspects of the School Board Elections. Beginning in June of 2022 and continuing up to Election Day, Elections PEI promoted and encourage participation, Elections PEI shared over 40 like messages on the three platforms, as well as on our website [www.electionspei.ca](http://www.electionspei.ca)

Throughout the election period (September to November 10th), six Media Releases were issued by Elections PEI to local traditional media outlets like CBC (TV and Radio), The Guardian, Journal-Pioneer, Eastern and West Prince Graphics and La Voix Acadienne newspapers, Ocean 100FM, Hot 105.5FM, Q93FM and CFCY-FM radio stations.

Infographics were designed and shared with DELL to distribute through the schools and via the email program "Power School" the schools use to communicate with students, parents and teachers.

There were opportunities for Elections PEI to be interviewed by CBC about the election and the Mail-In Ballot process on the 6 p.m. TV news program "Compass" and the afternoon radio program "MainStreet". CBC published about 5 stories on their website which Elections PEI reposted to our social media channels.

Elections PEI added two bilingual staff to the School Board Trustee Election Call Centre, to handle inquiries for both the Public Schools Branch and La Commission scolaire de langue française de l'Î.-P.-É.

PEI Home and School Federation created a web site to host candidate information profiles to support voters. They also hosted 'meet the candidate' nights within all of the Zones where elections were being held (Zones 2-7)

The PEIHSF and La Fédération des parents de l'ÎPÉ - shared information re: the election, potential candidates, voters, voting process etc... through their social media and direct email platforms

## ELECTION PERIOD EXTENSION

Post Tropical Storm Fiona hit PEI on Friday September 23, 2022. DELL and EPEI (Elections PEI) in joint discussions decided to extend the **Mail-In Ballot Application** period from the original deadline of Sunday, October 9, 2022, until 11:59 p.m. Saturday, October 29, 2022, to accommodate those who were without power due to the storm for upwards of three weeks. A new deadline for returning ballots was also established, Thursday, November 10, 2022, at 12 p.m.

Mail In Ballot packages were assembled and mailing began on Tuesday, September 27, 2022

A bilingual Notice of Election listing all the candidates offering in the election for both school boards was posted in the Guardian on Wednesday, October 12, 2022, and in the weekly papers the following week Wednesday, October 19, 2022

Elections PEI continued to send out Mail In ballot Kits until Monday, October 31, 2022, to have the recipients receive the kit, fill out their ballot and have it returned before the deadline on November 10, 2022

When voters received their Mail-In Ballot package there was an enclosed brochure of instructions. All Mail in Ballots returned were separated not only by school board, but also by electoral zones, each having their own unique ballot box.

## COUNTING THE BALLOTS

The counting process began at 1pm on Thursday, November 10<sup>th</sup>, 2022. Four counting teams consisting of a Deputy Returning Officer and an Election Official began counting the ballots in the presence of candidates or their agents in a secure location. Each counting team would count one zone at a time. Once completed they would begin the ballot count for the next assigned electoral zone.

There were candidates or their agents present to witness the count. The counting room also consisted of two Supervising Deputy Returning Officers to oversee the entire process.

Results were shown on a results webpage on Elections PEI website when available. By 7 p.m. all electoral zones in both school boards were counted and results displayed online.

## PUBLIC SCHOOLS BRANCH ELECTION RESULTS
