

### Goodbye Winter - Hello Spring

Sure feels good to have winter behind us again as we anticipate a beautiful Spring followed by the sunny hot days of summer on PEI. Due to the **COVID-19** crisis, the Elections PEI office is closed to the public. Our staff are working remotely until further notice and are happy to serve you by phone, (1-888-234-8683), email or through socialmedia. [Reach out to our staff.](#)

### School Board Elections

The PEI government will be reinstating the Board of Trustees for the PEI Public School Board. Elections PEI is meeting with School Board officials to discuss a Public School Board and a French Language School Board election to be held simultaneously for May 30, 2022. This will be the first election for the English Public School Board since it was dissolved in 2015.

### New Canadians

Elections PEI is proud to participate in the Canadian Citizenship Ceremonies. We address our newest citizens of Canada and remind them of their right and their duty to vote, Municipally, Provincially and Federally. We provide voting information and even register our new Canadians on-site so they are ready to vote in the next election.
